Judging

The aim of this competition is to encourage all horse and rider combinations to have a positive experience of riding show jumping and cross-country courses. Classes are designed to encourage young/nervous/first time competitors. Penalties will be awarded as usual in both phases, but extra marks will be given for jumping style and technique at each jump. The horse and rider combination with the least jumping penalties and the most style and technique marks will win the competition. This competition will not be timed, as we are encouraging correct riding technique.
